

## WORKERS' COMPENSATION PREMIUM RECOVERY

### ***HAVE YOU OVERPAID YOUR INSURANCE CARRIER?***

Workers Compensation premiums can get complicated and contain many subjective factors, you may be overcharged on the premium you pay. To address this issue the Reagan Companies offers a Workers Compensation Premium Recovery Service. Our internal team has the exclusive goal of recovering Worker's Compensation premium. Our specialists review the history to recover the dollars you may have been overcharged. The process is simple and requires little time on your part.

### HOW DOES THIS HAPPEN?

- Errors in calculating experience modification
- Errors on payroll worksheets
- Errors in employee classification
- Errors on final premium audit bills
- Errors in application of non-compensable and fraudulent claims

### HOW DOES REAGAN COMPANIES FIX IT?

After a brief meeting with our specialists, we will be able to determine what errors may exist. Our specialists work directly with your insurance company and NYCIRB (NY Compensation Insurance Rating Board) to correct any errors in the calculation of past premiums. If we obtain a refund or credit for your company, we charge a percentage of the Premium Recovery as our fee for the work. **If there is no refund, there is no fee!**
